

Sylo Integrates Tezos to the Sylo Smart Wallet

Released Friday, December 4, 2020 06:00 AM EST | Newswire Analytics from December 4, 2020

View release on BlockchainWire.io

Distribution

The Distribution reports provide a listing of the distribution circuits you selected for your release. This includes high-level details on a subset of the recipients of your release. Recipients are listed by circuit, trades, and your own email/fax lists as appropriate. The Top Placements area provides a list of many of the online sites that posted your release, including links to your release on those sites.
